SIR:

Responsive to the Final Office Action dated April 14, 1994, please
amend the above identified application as follows:

IN THE CLAIMS

1. (Twice Amended) A selective call receiver, comprising:
a receiver for receiving a message;
a display for displaying said received message [and a keypad arrangement];
and
means, coupled to said display, for activating said display to display a
keypad arrangement thereon, the displayed keypad arrangement includes
means for modifying which enables a user to interact [ing] with said displayed
keypad arrangement to modify the displayed [said received] message.
